10. MANAGEMENT DISCUSSION AND ANALYSIS:**a. Industry Structure and Developments:**

The industry is dependent on performance of core sectors like agriculture, fertilizer, cement and exports. The policy changes in infrastructure and good monsoon during the year will lead towards the brighter future of the Company.

b. Opportunities and Threats:

The HDPE/PP Woven Sacks/Bags industry as a whole will be benefited by 40 % relaxation of Jute Mandatory and Packaging Order which will be enable Food Corporation of India and other agencies to pack 40 % of food grains in HDPE/PP Bags. HDPE/PP Bags sector is the biggest sector in India for packaging. The Company has successfully initiated its efforts for increasing exports and has set a target of exporting 80 % of its production.

c. Segment wise Performance:

The Company is operating only in one segment. The production/ turnover/performance of the Company have been disclosed in the Directors' Report under the Head 'Production, Sales and Working Results'.

d. Recent Trend and Future Outlook:

The recent trend is quite favourable for the industry in view of good monsoon as the Company has sizable presence in fertilizer sector. The opening up of food grains sector will enable the Woven Sacks industry to see better times again.

e. Risks and Concerns:

The industry is plagued by intense competition due to major petrochemical manufacturers making available cheap raw material abundantly. Volatility in raw material price due to crude price.

f. Internal Control Systems and their Adequacy:

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

g. Financial Performance with respect to Operational Performance:

The financial performance of the Company for the year 2016-17 is described in the Directors' Report under the head 'Review of Operations'.

h. Material Developments in Human Resources and Industrial Relations Front:

The Company has continued to give special attention to Human Resources/Industrial Relations development. Industrial relations remained cordial throughout the year and there was no incidence of strike, lock out etc.

i. Cautionary Statement:

Statement in this Management Discussion and Analysis Report, describing the Company's objectives, estimates and expectations may constitute 'Forward Looking Statements' within the meaning of applicable laws or regulations. Actual results might differ materially from those either expressed or implied.

11. DISCLOSURES:

- a. The Company has not entered into any transaction of material nature with the Promoters, the Directors or the Management that may have any potential conflict with the interest of the Company. The Company has no subsidiary.
- b. There has neither been any non compliance of any legal provision of applicable law, nor any penalty, stricture imposed by the Stock Exchange/s or SEBI or any other authorities, on any matters related to Capital Market during the last three years.
- c. The Company has implemented Vigil Mechanism and Whistle Blower Policy and it is hereby affirmed that no personnel have been denied access to the Audit Committee.
- d. The Company is in compliance with all mandatory requirements under Listing Regulations. Adoption of non-mandatory requirements of Listing Regulations is being reviewed by the Board from time to time.
- e. The policy on related party transactions is disclosed on the Company's website viz. www.gujaratcraft.com.

12. DETAILS OF NON COMPLIANCE CORPORATE GOVERNANCE REQUIREMENT:

There was no non-compliance during the year and no penalties were imposed or strictures passed on the Company by the Stock Exchanges, SEBI or any other statutory authority.

13. NON-MANDATORY REQUIREMENTS OF REGULATION 27 (1) & PART E OF SCHEDULE II OF THE LISTING REGULATIONS:

- i. The quarterly / half yearly results are not sent to the shareholders. However, the same are published in the newspapers and also posted on the Company's website.
- ii. The Company's financial statements for the financial year 2016-17 do not contain any audit qualification.
- iii. The internal auditors report to the Audit Committee.

- 14.** The Company, on voluntary basis, is in compliance with the corporate governance requirements specified in Regulation 17 to 27 and Clause (b) to (i) of sub-regulation (2) of Regulation 46 of SEBI Regulations.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
Gujarat Craft Industries Limited,
Ahmedabad

Report on the Financial Statements

We have audited the accompanying financial statements of **Gujarat Craft Industries Limited** (the "Company"), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Gujarat Craft Industries Limited** (the "Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended 31st March 2017

1. Corporate information

Gujarat Craft Industries Limited (the company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange, Chennai Stock Exchange and Ahmedabad Stock Exchange in India. The company is engaged in the manufacturing of HDPE / PP woven fabrics, sheets, sacks, PE tarpaulin. The company caters to both domestic and international markets.

2. Basis of preparation

The financial statements of Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified U/S 133 of CA 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Accounting policies not specifically referred to otherwise are consistent and in consonance with generally accepted accounting principles. In applying the accounting policies considerations have been given to prudence, substance over form and materiality.

2.1 Summary of significant accounting policies

a. Use of estimates : The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Property, Plant and Equipment : Property, Plant and Equipment are stated at cost of acquisition and installation, net of CENVAT, Vat less accumulated Depreciation. Borrowing costs incurred during the period of construction/Acquisitions of assets are added to the cost of Property, Plant and Equipment. Major expenses on modification/alterations increasing efficiency/capacity of the plant are also capitalized.

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing Property, Plant and Equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c. Depreciation on Property, Plant and Equipment : Depreciation is provided based on useful life of the Property, Plant and Equipment as prescribed in schedule II to the Companies Act, 2013 on Straight line Method (SLM) method.

d. Intangible assets : Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortized on a straight line basis over the estimated useful economic life.

e. Borrowing costs : Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

- f. Impairment of Property, Plant and Equipment :** The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An impairment loss is recognised in the accounts to the extent the carrying amount exceeds, the recoverable amount.

- g. Government grants and subsidies :** Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Such grants are deducted in reporting the related expense. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

Government grants of the nature of promoters' contribution are credited to capital reserve and treated as a part of the shareholders' funds.

- h. Investments :** Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

- i. Inventories :** Raw materials and stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials and stores and spares is determined on First-in-First-out basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.

Waste is valued at net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

- j. Revenue recognition :** Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods : Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company.

Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Interest : Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

k. Foreign currency translation

Foreign currency transactions and balances

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

Monetary items denominated in foreign currency at the year end are translated at the exchange rates prevailing at the balance sheet date.

Premium or discount arising at the inception of the forward exchange contract is amortized as income or expense over the period of the contract. Any profit or loss arising in renewal or cancellation of forward exchange contracts are recognized as income or expenses during the year.

Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit and loss account.

Losses in respect of all outstanding derivative contracts at the balance sheet date is provided by marking them to market.

I. Employee benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short term compensated absences, etc, and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

Post-Employment Benefits :

(i) Defined Contribution Plans :

State Governed Provident Fund scheme and employees state insurance scheme are defined contribution plans. The contribution paid / payable under the scheme is recognized during the period in which the employees renders the related services.

(ii) Defined Benefit Plans:

The employee' s gratuity fund scheme and compensated absences is company's defined benefit plans. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefits entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government Securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.

Actuarial gains and losses are recognized immediately in the profit and loss account.

Gains or losses on the curtailment or settlement of any defined benefits plans are recognized when the curtailment or settlement occurs. Past service cost is recognized as expense on a straight-line basis over the average period until the benefits become vested.

(iii) Long term employee benefits :

The obligation for long term employee benefits such as long term compensated absences, is recognized in the same manner as in case of defined benefit plans as mentioned in b) ii) above.

m. Income taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year.

Deferred tax is recognized on difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future. Such assets are reviewed at each balance sheet date to reassess realisation.

MAT credit is recognised as an assets only when there is convincing evidence that the company will pay normal income tax within the specified period. The assets are reviewed at each balance sheet date.

n. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the number of equity shares outstanding during the period.

o. Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

p. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

q. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

26 Gratuity and other post-employment benefit plans

- a. The company makes Provident Fund contributions to defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised ₹ 955('000) (Year ended 31 March, 2016 ₹ 979('000)) for Provident Fund contributions in the Statement of Profit and Loss. The contributions payable to this plan by the company is at rate specified in the rules of the schemes.
- b. The company operates two defined plans, viz., gratuity and leave encashment, for its employees. Under the gratuity plan, every employee who has completed atleast five years of service gets a gratuity on departure @ 15 days of last drawn salary for each completed year of service. The plans are not funded by the company.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and amounts recognized in the balance sheet for the respective plans.
